FlowChat — Quick Reference (Sales & Support)

Live chat · CRM contacts · LeadSnapper sync

Sign in digitalbroadcast.com/FlowChat/sign-in

Where to go

Task	Location
Reply to website chats	Dashboard
LeadSnapper leads	Dashboard → Contacts
Your status (Online/Busy/Offline)	Bottom of left sidebar
Saved reply shortcuts	Type / in chat composer
New unassigned chats	Unassigned (red badge)

Availability

Online	Busy	Offline
Get new chats	Limited routing	No new chats

Inbox essentials

- **Assign** conversation → yourself or teammate
- **Labels** — Hot, Sales, Follow-up
- **Status** — Open → Pending → Resolved
- **Snooze** — remind later
- Visitor panel → open **Contact** in CRM

LeadSnapper → CRM flow

Google → LeadSnapper Export → FlowChat Contacts → You outreach

Rep: Export → Sync qualified (Hot + Warm)

Admin: Integrations API key + CRM → enable LeadSnapper sync

Admin one-time setup

Step	Path
API key	Settings → Integrations → LeadSnapper
CRM sync	Settings → CRM → ON → Hot + Warm → Provision fields
Website chat	Settings → Inboxes → embed code on site

Daily checklist

- ☐ Set **Online** at start of day
- ☐ Clear **Unassigned** queue
- ☐ Check **Contacts** for new LeadSnapper syncs
- ☐ Add **notes** after calls
- ☐ Set **Offline** when done

Quick fixes

Issue	Fix
Lead missing in CRM	Confirm Hot/Warm + sync ran + CRM sync enabled
Widget not on site	Admin: Settings → Inboxes embed + domain allowlist
No Marketing menu	Role may be chat-only — ask admin
